

# KRISTINA CHRISTOFFERSON

ANIMATOR / DIRECTOR

---

## PERSONAL PROFILE

I've been drawing since I could grip a crayon, and telling stories since I could make noises.

When at all possible, I prefer to do both at once.

Making art that is meaningful to me while being meaningful to someone else is all I ever want to do- to share the experience of figuring out our own stories by telling them in pictures.

## SKILLS & ABILITIES

- Helped lead in the development of a virtual production pipeline in Unreal Engine.
- Prioritize tasks with management and remain accountable to deadlines.
- Adapt to technical dependencies and engine limitations.
- 5 years' experience in 3D software with Maya, 3DSMax, Blender and Unreal Engine.
- An understanding of cinematography, pacing, and timing.
- Experienced in Adobe Creative Suite.

## WORK EXPERIENCE

### Animation Director

#### Rooster Teeth (2018 - Present)

- Created storyboards based on scripts, timed animatic and assigned shots to animators.
- Created environments in Unreal Engine and ported to Maya with layout passes for each shot.
- Lead mocap shoots and collaborated with animators to achieve the cinematic vision.
- Worked with character artists to develop models and style for the episode.
- Modeled and rigged extra props.
- Worked with the sound design team to get the correct feel and timing for the episode.
- Managed multiple projects in various stages both inside and outside of the company; proactively managed workload and deadlines.

### Animator

#### Rooster Teeth (2016 - Present)

- Produced hand-keyed action combat animated scenes. Utilized and cleaned up mocap data.
- Received constructive feedback and had quick turnaround times for adjustments.
- Worked closely with Leads and episode Directors to achieve their visions.

### Illustrator

#### Freelance (2016 - Present)

- Created concepts and layouts to fit the commissioners needs.
- Performed research as necessary to support visual development.
- Collaborated with Artists and Designers to creatively solve problems.
- Stayed accurate to the character sheets and requirements of the job.

## INTERESTS AND HOBBIES

- Kayaking and Kickboxing bring me great joy!
- Expanding my knowledge pool through online classes is a fantastic source of inspiration for me, so far I have been taught by Nathan Fowkes, Alex Woo, and Daniel Arriaga and I'm constantly looking for more.
